

**CLARION
FUTURES**

**Transforming lives
and communities**

Clarion Futures is the charitable foundation of Clarion Housing Group, the largest Housing Association in the UK. Over the next 10 years Clarion Futures will invest **£150 million** to deliver practical support, skills and opportunities to thousands of people living in our communities.

Our mission is to provide people with the tools to transform their lives and communities for the better.

We have significant ambitions

Support **4,000 people** a year
into **employment**

Provide **250 apprenticeship**
opportunities

Make a positive difference
to the lives of **15,000**
young people

Deliver a social impact of
£1billion over the
next 10 years

Jobs & Training Futures

***Esther** joined us from one of our own employment programmes and now has experience working across Clarion Futures. She is now an Employment Officer and a valued part of the Clarion team.*

The Clarion Futures Jobs and Training service helps people develop their confidence and skills to get a job and thrive in it.

To help them on their journey we provide training courses, grants, in-work support, work placements and support to help people set up their own business.

We partner with many employers to access suitable opportunities including household names like Sainsbury's, Primark and Pret a Manger but are always looking for more!

Clarion Futures Jobs and Training will expand further, with a target to support 4,000 people into work every year. This includes a commitment to place at least 250 people into apprenticeships, through positions at Clarion and with other employers, and 100 business start-ups. Clarion is also the lead delivery partner for 'Love London Working' a major employment programme supported by the Greater London Authority and the European Social Fund to support 21,000 Londoners into work and training.

To find out more about Clarion Futures Jobs & Training and how we can work together please contact **Victoria Whittle, Head of Clarion Futures Jobs & Training, victoria.whittle@clarionhg.com**

Money & Digital Futures

***Sheniz** is a dedicated Digital Inclusion Tutor and has been supporting people for over 15 years. She's highly respected and has changed the lives of many people in her community.*

Clarion Futures Money and Digital

helps residents
make their money go
further and helps them
get online and use the
internet as an everyday tool.

The Money team helps people manage their outgoings and access free debt advice, banking services, savings and affordable loans and cut their energy bills. Every year we will aim to support 3,000 residents with free debt advice, provide access to 2,000 affordable loans and help 500 residents reduce their energy bills.

The Digital team helps people get online and make the most of the internet, including applying for jobs, shopping, accessing services and chatting online to reduce loneliness and isolation. Every year we will aim to deliver 10,000 interventions to help people get online and improve their digital skills. Clarion Futures is part of the national One Digital consortium, which recently received £4million from the Big Lottery Fund to help 40,000 people improve their digital skills.

To find out more about Clarion Futures Money & Digital and how we can work together please contact
Stephanie Noyce, Head of Clarion Futures Money & Digital, stephanie.noyce@clarionhg.com

Community Futures

Ryan is an inspiring National Ambassador, who works hard on raising disability awareness within his community.

Clarion Futures Communities delivers social action projects to improve local estates and neighbourhoods.

The team supports 75 community centres across the country run by local charities and volunteers delivering grass roots projects and services supporting their local community.

We also provide grant funding of £250,000 every year to support hundreds of local projects ranging from youth groups to IT training courses, and community allotments to new play areas. Every year we will

aim to improve at least 25,000 square metres of community land and buildings.

The Communities team also delivers programmes to support our young people make the successful transition to adulthood. This includes our national and community ambassador projects, which help young residents play an active role in their communities through volunteering, citizenship and sports projects. Through our youth programmes we are aiming to make a positive difference to the lives of 15,000 young people every year.

To find out more about Clarion Futures Communities and how we can work together please contact **Matthew Parsonage, Head of Clarion Futures Communities**, matthew.parsonage@clarionhg.com

Be part of **Our Future**

We will only succeed in transforming lives and communities by working in partnership with others.

From employers to community groups, from charitable funders to other housing associations, our message is the same: **come and join us.**

Come and be part of the
Clarion Future.

futures@clarionhg.com

“I am a single parent with a young daughter and I wouldn’t change my daughter for the world but I would change the world for my daughter. This is me making my change.”

Frankiee is a single parent and one of our amazing National Ambassadors, she’s worked hard to raise awareness of mental health issues.
