

## Safeguarding Resources and Training

This document brings together key local and national resources and training opportunities to support organisations working with children and young people to strengthen safeguarding practice.

### Local support and guidance – Tower Hamlets

#### [Early Help and Children and Family Service \(Tower Hamlets Council\)](#)

Council-led support for children, young people and families where needs are emerging or escalating. This includes early intervention services, referral pathways, and practical family support.

#### [If you are worried about a child in Tower Hamlets](#)

Step-by-step guidance on how to recognise safeguarding concerns and who to contact locally for advice, Early Help support, or children's social care.

#### [Tower Hamlets Safeguarding Children Partnership \(THSCP\)](#)

The borough-wide safeguarding partnership bringing together the council, health services, police and voluntary sector. The website hosts local safeguarding procedures, learning from serious case reviews, multi-agency guidance and training information.

### National guidance and sector resources

#### [Working Together to Safeguard Children \(statutory guidance\)](#)

Government guidance on multi-agency working to help, support and protect children.

#### [NSPCC – resources for voluntary and community organisations](#)
